

I am most thankful to the committee of Southern Golden Retriever Club in New Zealand, for a very kind invitation, judging at SGRC Championship Show on Sept.14th. I was very impressed and delighted with the TOP Quality Golden Retrievers! Mostly dogs are in a top condition, beautiful heads with good proportions, kind expression, well angulated, strong top lines, excellent size, good in the front, and excellent movement with good balance! Mostly they have a beautiful temperament!

Big thank you for taking good care of me and for fantastic hospitality, one unforgettable time what I spent in NZ !!

With Kind Regards
Natasa Davidovic
